### **THE OPTIMIST CREED**

#### **PROMISE YOURSELF**

To be so strong that  
nothing can disturb your  
peace of mind.

To talk health, happiness  
and prosperity to every  
person you meet.

To make all your friends  
feel that there is  
something in them.

To look at the sunny side  
of everything and make  
your optimism come  
true.

To think only of the best,  
to work only for the best,  
and expect only the best.

To be just as enthusiastic  
about the success of  
others as you are about  
your own.

To forget the mistakes of  
the past and press on to  
the greater achievements  
of the future.

To wear a cheerful  
countenance at all times  
and give every living  
creature you meet a  
smile.

To give so much time to  
the improvement of  
yourself that you have no  
time to criticize others.

To be too large for  
worry, too noble for  
anger, too strong for fear  
and too happy to permit  
the presence of trouble.

**As we start a new year of speakers, I would just like to remind our group that when we have speakers come in, they want to inform us about a business, an event or things going on in our community. Some might speak on sensitive subjects to which you may agree or not agree, but it doesn't mean we're here to debate the subject. It is for informational purposes, so take what you want and leave the rest. Thank you!**
