The BOD will be meeting on Monday, June 15th. Among many things, they will be discussing dates for us to return to having noon meetings. Jeff is in contact with 1951 to see when our group can start back up and what the limitations will be. Tentatively July 7th

We would possibly be able to hold Elections on July 28th. If you are interested in the opportunity to serve on the Board of Directors, please contact Dan O'Leary or Jeff Devroy.

Leta Jacquet's husband Shaun, was involved in a terrible ATV accident and had spine surgery.

Update on Shaun from Leta's Facebook page: Well it's been about 11 weeks since the accident. Shaun is getting stronger and accomplishing things at a rate that is exceeding expectations. Still no feeling in his feet, but he has once again graduated to new canes! These canes help stabilize him and keep his balance while he walks. This is the last step before he will graduate to NO CANES! Now this could be months maybe years before he totally walks on his own. But he is so close! Thank you for all of your prayers!
