The Cup not only supports local artists, but also nationally recognized acts. Welcome to Nicole Schneider, President of Freedom House Ministries. Freedom House serves families with children in Brown County. Freedom House opened in East Green Bay over 25 years ago. In 2011 they were gifted a second west side location that expanded their program to include a transitional housing program with apartments as well as additional shelter space. In 2018, the original building in East Green Bay was demolished to build a larger shelter facility that will allow a Freedom House to help more families facing homelessness. They hope to open their new building in December of 2019.

### **THE OPTIMIST CREED**

#### **PROMISE YOURSELF**

To be so strong that  
nothing can disturb your  
peace of mind.

To talk health, happiness  
and prosperity to every  
person you meet.

To make all your friends  
feel that there is  
something in them.

To look at the sunny side  
of everything and make  
your optimism come  
true.

To think only of the best,  
to work only for the best,  
and expect only the best.  
To be just as enthusiastic  
about the success of  
others as you are about  
your own.

To forget the mistakes of  
the past and press on to  
the greater achievements  
of the future.

To wear a cheerful  
countenance at all times  
and give every living  
creature you meet a  
smile.

To give so much time to  
the improvement of  
yourself that you have no  
time to criticize others.

To be too large for  
worry, too noble for  
anger, too strong for fear  
and too happy to permit  
the presence of trouble.
